## PART 1—GENERAL

### G-100 Scope.

This appendix identifies the activity address numbers to be used with the uniform procurement instrument identification numbering system prescribed in DFARS subpart 204.70.

### G-101 Assignment and use of a number.

(a) Activities coding solicitations, contracts and related instruments shall use only those codes assigned by their respective department/agency activity address monitor(s).

(b) The six-character code is used in the first six positions of the procurement instrument identification number (PIIN). When required, activities also will be assigned a two position code. The two position code is used in the first two positions of the call/order serial number.

(c) Activity address monitors are—
